Welcome to Simpson's Lane Academy

Here is some information about us which you may find useful.

Please feel free to contact us if you have any queries.

Aims of the Academy:

- To provide a curriculum that meets the needs of all learners
- To achieve the highest standards of attainment
- Provide pupils with a safe, supportive, well-ordered and happy learning environment
- To provide a learning environment which is stimulating, exciting and challenging
- To ensure the school is caring and inclusive for all children
- Ensure that the school is led and managed effectively

History & Environment of the Academy

The school was built in the 1960s and opened as separate infant and junior schools. The school was amalgamated as a 'through' primary a number of years later. Simpson's Lane enlarged to accommodate Throstle Farm Junior & Infants School which closed in 2010.

The school building was remodelled in 2011/2012 which greatly improved the learning environment of the existing building and provided us with additional classrooms, a Food Technology room, a Foundation Unit and landscaped outdoor spaces.

The school joined Delta Academies Trust (previously School Partnership Trust Academies) in August 2012 and converted to Academy status.

In 2016 the most recent building work was completed creating a new Nursery Unit, an additional hall, one KS1 classroom and four KS2 classrooms, as well as improved access around school and extensive playground developments.

The Academy Building and Site Safety

There are currently fourteen classes, which includes one class in the new Nursery Unit.

All areas of the academy site are strictly no smoking, including the area immediately outside of the gates.

Dogs are not allowed on the academy site, unless they are assistance dogs.

After entering through the gate, it is not permitted to ride a bike or scooter – please dismount immediately.

Please ensure that inappropriate language is not used when you are on the school site. We will not tolerate swearing and/or other offensive language. Failure to comply with this may result in being asked to leave or being banned from site.

Collection arrangements

We are unable to send a child home with another adult without prior permission from parents/carers and children will never be sent home with an unknown person. Please ensure that all adults you authorise have been registered with our school office or class teachers.

Uniform

All children are expected to wear school uniform. Children will be issued with one free sweatshirt or cardigan with the Academy logo on at the start of the year, plus indoor plimsolls for children in Y1-Y6. Please see the office to buy or order additional sweatshirts, jumpers or plimsolls.

The uniform for Nursery to Year 5 consists of:

Jumper/Cardigan:	Royal blue with/without academy logo
Skirt/Pinafore: Trousers/Shorts:	Grey or black
Shirt/blouse/polo shirt:	White
Summer dress:	Blue and white gingham check
Footwear:	Black shoes - No heels - No backless shoes, e.g. flipflops

We ask that jewellery isn't worn. If earrings must be worn, they should be small studs only.

Hair should be naturally coloured and styled (no extreme hairstyles or patterns), with long hair tied back in a ponytail or plaits.

To support transition to high school we introduced a new uniform for Year 6 in September 2017 that includes a different jumper or cardigan to the rest of school and a clip-on tie.

The uniform for Year 6 consists of:

Y6 Jumper/Cardigan:	Royal blue 'V' neck with academy 'swoosh' logo
Skirt/Pinafore: Trousers/Shorts:	Grey or black
Shirt/blouse:	White
Y6 Tie:	Royal blue with fine red stripe Clip-on
Summer dress:	Blue and white gingham check
Footwear:	Black shoes - No heels - No backless shoes, e.g. flipflops

Please ensure all items of clothing are labelled with your child's full name, including footwear and coats. The academy will not accept responsibility for lost items of uniform or other clothing.

PE

All children from Y1 to Y6 are provided with shorts, a t-Shirt and bag at the start of the academic year which remains in school at all times. The PE Kit is as follows:

T-shirt:	White round neck
Shorts:	Black
Footwear:	Trainers or pumps for outdoor PE - No footwear is worn in the halls
Outdoor PE:	Black or navy jogging bottoms

Outdoor PE kit or trainers should either be brought to school on the days your child has their PE lessons. Teachers will communicate when PE lessons are timetabled.

All items of outdoor PE kit, including footwear should be labelled.

Children will not be able to participate in outdoor PE lessons if they do not have appropriate footwear, e.g. trainers or an additional pair of pumps.

Personal Belongings

Please do not allow your child to bring anything valuable into school. Anything brought in is at the owner's risk; the academy cannot accept responsibility for personal property. If it is for a particular purpose, please ask the class teacher to lock items away for security.

Standards of Behaviour

The school policy outlines the behaviours to be expected of all in the school. There is a clear structure for dealing with different stages of behaviour that are included in the Behaviour Policy. If you wish to see a copy of this please ask at the Main Office or alternatively, you can download the policy from our Academy website.

Lunchtime

Children may bring a packed lunch, have home dinners or have a school meal. A school dinner currently costs £2.10 per child per day; this must be paid for each Monday.

School meals are free for all children in Reception, Year 1 and Year 2.

Families may be eligible for Free School Meals; application forms are available from the school office. As successful Free School Meal applications attract additional funding to the school, we encourage all those who may be eligible to apply. This will enable the school to provide additional staff and other resources to support learning.

Our school kitchen provides healthy and tasty meals that are widely enjoyed by children. Meals are chosen on a weekly or daily basis.

In packed lunches, we encourage children to bring a main meal (sandwich, rice etc), fruit and a snack such as yoghurt; sweets and chocolates are not allowed.

Nuts are also **not allowed** as some children have severe allergies and can be affected by being close to nuts.

Medicines and Medication

It is essential that you inform the school of any medical condition your child suffers from so that we can make any necessary adjustments or provision.

Asthma inhalers must be clearly labelled and handed to the office so that they can be stored in the classroom – your child will have supervised access as needed.

Medicines prescribed by a doctor may be kept in school and these must also be handed in to the office by the parent/carer; medicines must not be kept in a child's possession. A medical consent form must be completed by parents for any inhalers or medicines prescribed by a doctor which need to be kept and administered at school. We are not able to administer medication that has not been prescribed by a doctor or has been bought over the counter, except in exceptional circumstances. Medicines are administered by a staff member in the school office who has been trained in First Aid.

Please ensure that you are aware of expiry dates of all medicines and ensure that the ones held in school are current.

Medicines and medication can only be collected by the parent/carer of the child it has been prescribed to.

Communication

It is essential that the academy has up to date contact details for your child in case of illness or emergency. If you change your address or telephone number please inform someone in the Main Office.

If your child is poorly and cannot attend, please call as soon as possible on **01977 722515**, to give a reason for absence. The academy operates a 'first day response system' where parents will be contacted if their child is absent and a message has not been received.

Attendance and Punctuality

We expect all children to arrive in school on time every day and maintain the highest possible levels of attendance throughout the year - our whole school target is 96%.

Attendance below 90% is classed as persistent absence. Children whose attendance falls below this level will be subject to EWO involvement that may result in Penalty Notices being issued if attendance does not improve.

Children whose attendance falls between 90% and 94% will be monitored closely to ensure their attendance improves.

Term time holidays cannot be authorised and will be classed as an unauthorised absence in the register. Penalty Notices will be issued for holidays taken during term time.

Arriving late after registers have closed is also classed as an absence and will be recorded as unauthorised in the register.

Accidents and Illness

From time to time, accidents will happen in the nature of everyday life in a school. These are usually minor and easily treated. We will manage minor cuts and scrapes through our first aid provision at school; it is unlikely that we will make individual contact with you for small injuries. If

however, your child has had a bump or other injury to his/her head, you will be given a written notification which is sent home with your child. Please check your child's book bag.

If your child is taken ill or has a more serious accident, we will endeavour to contact you by telephone. Please make sure we have details of contact numbers.

Please also make sure that you inform the school when your contact details change.

Sharing Learning and Achievements with Parents

Each week we celebrate the achievements of a child from each class in our 'Celebration Assembly'. During these assemblies, a child from each class will be chosen to share their achievements.

We also celebrate attendance and punctuality by drawing a Golden Ticket for those children who have attended 100% during the week to see who will win the Attendance Prize - a £10 Morrisons voucher.

Readers of the Week

To encourage children to read regularly at home there is an incentive for all children. If they read five times each week, including at least three times at home, they are able to come to school in non-school uniform on the following Friday. Reading at home is monitored by teachers and support assistants in your child's class – please sign the reading record in your child's book bag at least three times each week to ensure the hard work of both you and your child is recognised.

School Events

You are invited to join us to celebrate special events throughout the year. We hold a number of events such as assemblies, performances, curriculum activities and workshops, cultural celebrations, charitable events and sports day. Information regarding these events will be sent out in weekly newsletters and advertised on the academy website and Twitter account.

After-School Clubs

We recognise the need to develop pupils' interests and attitudes alongside the academic requirements of the National Curriculum. A range of extra-curricular activities are offered by teachers/support assistants each term after school hours for children in KS1 and KS2. These will change regularly throughout the year, usually at the start of a new half term or new term, to ensure we are able to offer a range of experiences to as many children as possible. Please refer to letters for information regarding clubs and return permission slips as soon as possible. Weekly newsletters will also include information about clubs.

Educational Visits

Educational visits are an important aspect of children's learning. They help to put learning into a real-life context and provide them with experience of the concepts they are learning. We endeavour to make all trips as inexpensive as possible, but to enable educational visits to occur we request contributions from parents.

Academy Advisory Board (AAB)

Our AAB members are supportive and highly motivated. Their vision and passion for continued improvement steers and focuses their decision making process and they challenge and support the school leadership to good effect.
