

# Safeguarding and Child Protection in our Academy

## What is safeguarding and child protection?

At Simpson's Lane Academy, all of the adults think your health, safety and wellbeing are very important.

We want to make sure you feel respected, safe and happy.

We teach you how to spot risks and protect yourself from them. This could be at home or at school. This is safeguarding you.

## How do we keep you safe?

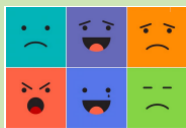

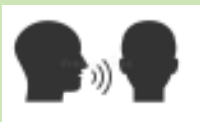

We provide a safe and secure environment for you to learn in. We ensure that you are safe everywhere you go, not just at school and check-ins help us do this. We make sure you know that we are here to help if you are worried or unhappy about something.

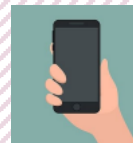

## Make sure you tell someone if someone...

- \*is bullying you
- \*is trying to make you do things you don't want to do or that make you feel uncomfortable
- \*is hitting or hurting you
- \*is sending unkind messages to you on your phone or over the internet
- \*touches you without permission or in a way that makes you feel uncomfortable.

REMEMBER, you can also call **ChildLine** to speak to an adult who will listen to you.

## WE ARE HERE TO HELP!

The designated safeguarding leads are:  
Mrs Silburn, Mr Colley, Miss Coopey, Mrs Ellis, Miss Simpson

Any worries, big or small, we are here to help you all. You can talk to any adult in school. You can put a worry in your class worry box.
